Medical Assistance

- Students can go to Palmetto Health Richland for medical services.
- A Sexual Assault Exam is available at Palmetto Health Richland Hospital. The exam is conducted by a Sexual Assault Nurse Examiner (SANE) who is a Registered Nurse with advanced training and certification in conducting sexual assault exams. There will be no charge for the evidence collection process.
- A police report is not required to receive medical assistance.

Advocacy, Support Services, Housing, & Academic Accommodations

- Counseling Services is a confidential source that provides individual counseling, referrals, crisis intervention, and consultation.
- Sexual Trauma Services of the Midlands is a confidential source that provides a 24-hour hotline, advocacy, and counseling.
- The Title IX Coordinator investigates and ensures Title IX Compliance and implementation of College policies and procedures. He/She can assist you with academic and housing accommodations, community resources, and referrals.

Emergency Services

- The Columbia College Police Department provides 24-hour emergency services.
- Students can also call 911 for 24-hour emergency services from the Columbia Police Department.

Title IX Coordinator: Dr. Shirley Huisman, 864-674-4184
